# **“THE WILD WEST TOUR”**

## **2024**

### **Proposed Itinerary**

#### **DAY 1 - FROM ALL DEPARTURE POINTS TO BILLINGS, MONTANA**

The official start of your Great Eastern Motorcycle Adventure begins with the arrival in Billings, Montana. Shuttle service from the airport to the hotel will be provided by the hotel. A tour sponsored meet and greet with food will be offered tonight.

#### **DAY 2 - TRAVEL TO YELLOWSTONE**

Our day will start off with a hearty breakfast, followed by a group meeting. We will depart towards Yellowstone by way of the “Bear Tooth Pass” (Great Road!) One of the top 10 roads in the United States. ENJOY!!

#### **DAY 3 - DAY ON YOUR OWN TO EXPLORE YELLOWSTONE**

This is the first of two days on your own. You are always welcome to ride with “Great Eastern” or go off and explore the park. Dinner is on your own.

#### **DAY 4 - SECOND DAY ON YOUR OWN**

This is your second day to explore Yellowstone. Believe me, you will need both days to take in all that Yellowstone has to offer. Dinner is on your own.

#### **DAY 5 - TRAVEL DAY TO JACKSON HOLE**

After a “Tour Sponsored” breakfast, we will exit Yellowstone through the west gate. We will travel the back side of the “Grand Tetons” south towards Jackson Hole, Wyoming. Use your gift card to enjoy dinner at one of the many restaurants in the area.

#### **DAY 6 - ON YOUR OWN DAY**

Start your day with a “Great Eastern” hearty breakfast buffet. We then suggest the following: Start with a visit to the National Elk Refuge Visitors Center directly across from the hotel. From that point you can use the maps we provide for sight-seeing in the Grand Tetons. Jackson Lodge offers the best panoramic view of the mountains, but there are many side loops to also explore. Don’t miss the Jenny Lake Loop. Dinner will be on your own.

#### **DAY 7 - JACKSON HOLE TO CODY, WYOMING**

After breakfast, we will leave Jackson Hole in our rear view mirrors. We will ride through the Grand Tetons headed for Cody, Wyoming. It will be a short riding day today and dinner will be on your own this evening, but please join us this evening for a “Real Cowboy Rodeo” across from the hotel.

#### **DAY 8 - CODY, WYOMING TO BILLINGS, MONTANA**

This will be our last day touring the “Great Western United States”, so ENJOY IT!!

We will ride the “Chief Joseph Highway” and the “Bear Tooth Pass” making our way back towards Billings, Montana. Come join us this evening for a pizza party, and share your stories of the past week.

#### **DAY 9 - HOMEWARD BOUND**

So by now you’ve discovered why the “Wild West” is still so popular. You will have traveled approximately 1200 miles, and another 400 miles on your own. After a farewell breakfast on “Great Eastern”, we will wish you a safe journey home, and look forward to riding with you on one of our future tours.
